Docket No. SDWA-08-2003-0060  
PWS ID# WY5601004

Dear Mr. Aron:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2003-0060, issued to Seven Mile Water and Sewer District (the District) on September 23, 2003. The EPA has determined that the District complied with the requirements of the Administrative Order; therefore, we will close the Order at this time.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject the District to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

If you have any questions about this issue, please call me at (303) 312-6896.

Sincerely,

Lisa Kahn, Team Leader
